LIVING EARTH SHREDDED HARDWOOD BARK MULCH (2 Cubic Foot Bag)

Contents: Hardwood barks, consisting of oak, gum and hickory (mostly oak). Bark is hammermilled through a screen to provide a shredded, fibrous material for excellent hold on sloped surfaces. Initial pH to be in the 6.0 to 7.0 range, with excellent long term buffering

LIVING EARTH CEDAR MULCH (2 Cubic Foot Bag)

Contents: Ground native cedar trees. Leaves, bark, and white wood included. Cedar Mulch is said to have the ability to repel insects. Cedar Mulch has a pleasant aroma, is a reddish brown color and lasts longer than other mulches. Mulch is hammer milled through a screen to provide a shredded, fibrous material for excellent hold on sloped surfaces.

LIVING EARTH RED COLOR MULCH (2 Cubic Foot Bag)

Red Color Mulch has become a favorite "decorative mulch." Made from recycled wood, this mulch is dyed red, making any mulched area stand out, especially when it is installed on an area bordering green grass.

LIVING EARTH BLACK COLOR MULCH (2 Cubic Foot Bag)

Black Color Mulch, which is made from recycled wood, looks great under shrubs and trees. The dark color highlights the plants above it. As with other colored mulches, Black Color Mulch is a dyed product.
